EDUCATION and TRAINING

University of Pittsburgh, Pittsburgh, PA 2014 – 2017
Post-Doctoral Certificate, Dental Anesthesiology

University of Southern California, Los Angeles, CA 2010 – 2014
Doctor of Dental Surgery (D.D.S.)

Drexel University, Philadelphia, PA 2006 – 2009
Bachelor of Science in Biological Sciences, *Cum Laude*

LICENSURE, PERMITS and CERTIFICATIONS

Diplomate, American Dental Board of Anesthesiology 2018 - Present
California Dental License, #64084 2014 – Present

General Anesthesia Permit, Issued: 07/2017

Basic Life Support (BLS) for Healthcare Providers, American Heart Association (AHA) 2012 - Present

Advanced Cardiac Life Support (ACLS), AHA 2012 - Present

Pediatric Advanced Cardiac Life Support (PALS), AHA 2012 - Present

Pennsylvania Dental License, #DS040135 2014 - Present

Ohio Dental License, 30.024682 2015 - Present

Conscious Sedation Permit, Issued: 04/2016

DEA Schedule II, III, IV, V 2017 - Present

PROFESSIONAL EXPERIENCE

Dentist Anesthesiologist, Bay Anesthesia Group, Greater Bay Area and Los Angeles, CA 2017 – Present

- Provide full scope of anesthesia services for pediatric dental, general dental and oral surgery procedures in private practice

Adjunct Assistant Professor of Clinical Dentistry, Ostrow School of Dentistry of USC, Los Angeles, CA 2018 – Present
Division III: Endodontics, General Practice Residency and Orthodontics

- Provide didactic and clinical anesthesiology instruction for specialized patient populations requiring advanced anesthesia and pain control for pediatric dentistry, general dentistry and oral surgery

Content Contributor, American Dental Board of Anesthesiology Oral Exam Committee, San Diego, CA 2019

- Served with the oral examination committee to formulate content and course material for diplomate certification candidates seeking ADBA board certification.

General Dentist, Boardman, OH 2016 – 2017

- Exclusively provide moderate sedation services for oral surgeon in private practice

TEACHING EXPERIENCE

Adult and Pediatric Oral Conscious Sedation Recertification Program

Jan '18, Feb '19

Ostrow School of Dentistry of USC, Los Angeles, CA

- Continuing Education recertification program; presentation topics included: airway management review, NPO guidelines, emergency protocols in the dental office and legal and consent.

UCSF Pediatric Dentistry: Seminar Lecture Sedation Series

Oct – Dec 2017

University of California, San Francisco, CA

- Weekly lecture series for pediatric dental residents at UCSF covering anesthesia/sedation topics such as respiratory and cardiac physiology, pharmacology, dosing limits, vital sign monitoring, sedation techniques, intraoperative events, emergency protocols and adverse events.

University of Pittsburgh, Pre-doctoral and Post-doctoral Programs

2014 - 2017

DSANE5241 Anesthesia 1 - Local Anesthesia

DSANE5245 Local Anesthesia Technique Lab

DSANE5347 Advanced Local Anesthesia Technique Lab

DSANE2242 Anesthesia Principles

DSANE5345 Nitrous Oxide Sedation Lab

DSANE5344 Medical Emergencies – WISER Center

ORBIOL5243 Head & Neck Soft Tissue Anatomy

PERIO 2251 Concepts of Moderate Sedation

ACADEMIC AWARDS, HONORS and RECOGNITIONS

Student Poster Presentation, Second Place Award, Annual Scientific Session, Denver, CO; ASDA

2016

Student Poster Presentation, Second Place Award, 27th Annual Meeting on Special Care Dentistry, SCDA

2015

Horace Wells Student Award Winner, American Dental Society of Anesthesiology

2014

Charles O'Grady Memorial Scholarship, Omicron Kappa Upsilon, USC

2013

- Awarded to student who demonstrates academic orientation, scholarly direction, service and leadership

Meskin Journalism Award for Excellence in Dental Student Publications, AADE

2012

Best Student Research Journal Award, National Student Research Group, AADR

2011

“A study evaluating the virulence of *Aggregatibacter actinomycetemcomitans* strains” 2012
Corporacion Universitaria Rafael Nuñez in Cartagena, Colombia

RESEARCH EXPERIENCE

Ostrow School of Dentistry of USC, Los Angeles, CA 2011 – 2013

- Research assistant in periodontology laboratory for Marcelo Freire, D.D.S., Ph.D and Homa Zadeh, D.D.S., Ph.D
- Research evaluating the virulence of *Aggregatibacter actinomycetemcomitans* strains in biofilm-mediated osteolytic model
- Prepared micro-implant samples, harvested samples from animal models, analyzed w/ confocal microscopy

University of Southern California Keck School of Medicine, Los Angeles, CA 2006

- Laboratory Technician in a pathology laboratory for Clinical Professor Shan-Rong Shi, M.D.
- Research evaluating the value of frozen tissue sections as “gold standard” in immunohistochemical analysis
- Cut, fixed, and stained frozen tissue sections

Huntington Memorial Research Institute, Pasadena, CA

2005

- Technician in a pathology laboratory for Ashraf Imam, Ph.D., HMRI Director of Molecular Pathology
- Utilized immunohistochemical laboratory techniques in research on analysis of retinoblastoma gene pathway in the progression of human papilloma virus mediated cervical cancer
